Master's Degree
Professional Accounting

degree ie master's degree in professional accounting/

There has never been a greater need for leadership and integrity in the accounting profession than now.

St. Francis College prepares students with a quality education, strong ethics and innovative thinking. The MS in Professional Accounting Program will build on students' undergraduate education and will lead to a greater degree of accounting sophistication preparing students for careers in public and private accounting, government agencies, foundations, religious organizations and arts groups.

do you already have your bachelor's degree or will you be graduating with your bachelor's in the coming year?

If you already hold a BS, BBA, or BA in Finance, IT, Marketing, Management or HR from a regionally accredited school then this program is for you.

- Time to completion - Four semesters
- Flexibility – Designed for applicants who have already earned a bachelor's degree in business (Management, Finance, Marketing, Human Resources, IT)
- CPA prep – Qualify to sit for the CPA exam upon program completion
