LETTER FROM THE PRESIDENT

St. Francis College is known for its many traditions with Franciscan roots. One such tradition that is special and central to our mission of providing an affordable and superior liberal arts education is our Endowed Scholarship Program.

For over a century, the College has awarded scholarships to deserving students from all walks of life and has changed the lives of many by helping to pave the way for future personal and academic successes.

With each passing year, our Endowed Scholarship Program flourishes with the creation of new scholarships, the completion of partially funded scholarships, and the awarding of scholarships to a growing number of students. Currently we have 210 scholarships, of which 158 are fully endowed. This year, we have newly awarded scholarships to 34 deserving students, bringing the total of those currently receiving an endowed scholarship to 94 students.

As you turn the pages, you will see familiar names of current and former professors, classmates, and friends of the College. Many of our endowed scholarships have been established to honor or memorialize a member of the St. Francis College family. Though some of our loved ones and friends may not be with us, their legacy continues to inspire students to work hard and achieve great things.

Through the Endowed Scholarship Program, we as educators, alumni, and friends renew our commitment to the Franciscan tradition by making vital contributions to the future of our students, our College, and our community. I would like to thank all those who have supported the Program this year and congratulate all student scholars.

Sincerely,

Brendan J. Dugan ’68
President
