

Position: Assistant Athletics Trainer - 10 month position

Department: Athletics

Reports to: Head Athletics Trainer

Job Summary: Under the supervision of the Head Athletics Trainer and for the teams to which he/she is assigned, provide training, treatment and rehabilitation services necessary for the prevention and treatment of athletics injuries.

Duties and Responsibilities:

- Provide evaluation, treatment and rehabilitation of athletic injuries.
- In consultation with the Head Athletics Trainer, design and implement pre-season and summer exercise and rehabilitation programs for student-athletes with past injury histories and test results that warrant such programs.
- In consultation with the Head Athletics Trainer, upgrade rehabilitation programs, as needed, according to periodic re-evaluation of injured athletes
- Maintain individual student-athlete treatment files with regard to testing, prevention, and rehabilitation programs, training room visits, athletic injury reports, and other data files.
- Supervise the athletics training room in the absence of the head athletics trainer and maintain regular hours in the training room as assigned.
- Attend practices, home and away events as assigned, providing athlete health advice to coaches and training services to student-athletes
- Execute instructions and recommendations of Team Physicians
- Produce reports as requested by the Head Athletics Trainer, coaches, or administrators.
- Demonstrate the highest standard of professional behavior in day-to-day relationships with student-athletes and coaches.
- Conform to the highest standards of professional conduct regarding compliance with department and institutional policies and procedures and adherence to the rules and regulation of athletics governance organizations of which the institution is a member (e.g., NCAA, Northeast Conference, etc.).
- Maintain required confidentiality related to student-athletes health information.
- Perform other duties as assigned.

Qualifications:

- Bachelor's degree in a Commission on the Accreditation of Athletic Training Education (CAATE) accredited program or National Athletics Training Association Board Certification and New York State Athletic Training License eligible
- At least two years of experience as a Graduate Assistant or Assistant Athletics Trainer, preferably at an NCAA Division I or II institution
- Ability to travel locally up to at least 50% of the time
- Strong verbal and interpersonal skills and able to quickly establish rapport with student-athletes
- High level of integrity and ethics
- Computer proficiency to include Microsoft Office and database programs
