ST. FRANCIS COLLEGE ENDOWED SCHOLARSHIPS
**ENDOWED SCHOLARSHIP FUNDS** are a vital part of any higher education institution, and particularly to a small, private college like St. Francis College serving a student population from the greater New York City area. At the core of our mission, we strive to offer bright and promising students a top-tier education at an accessible cost. Scholarships help us attract and retain bright students who might otherwise be unable to attend college due to financial constraints.

EVERY BENEFACtor HAS A STORY TO TELL - of the professor who recognized a spark, of the coach who imparted life-lessons, of the alumni who supported their dreams with scholarship support, of the College that gave them a chance when there was nowhere else to turn.

Each of our Funds honors the contributions of past members of our community while simultaneously recognizing the success and potential of our current members. We invite you to share your life and story with our Terriers, to become part of their journey and help transform their dreams into real life opportunities through the gift of education.
