Employee Benefits Summary for Full-Time Staff

Health & Wellness

Medical Insurance

St. Francis College offers two comprehensive point of service medical plans to meet the needs of our employees. Employees have the option of selecting either the "High Deductible Plan" (HDHP) or the "High" Plan. The College generously contributes towards premium costs at all levels. Medical coverage takes effect the first day of the calendar month following the date of employment; unless hired on the first day of a calendar month, in which case coverage takes effect immediately. Employees may also select coverage for a spouse or children. Employees who elect the HDHP may be eligible to open a Health Savings Account.

Dental Insurance

The College's dental benefit offers a Preferred Provider Organization with varied levels of coverage for preventative, basic and major services. The College pays 50% of the insurer's premium for individual, single+1 and family coverage. Employees are eligible for this benefit on the first day of the calendar month following the date of employment; unless hired on the first day of a calendar month, in which case coverage takes effect immediately. Employees may also select coverage for a spouse or children.

Vision Insurance

The College offers a voluntary vision benefit that provides access to a low-cost, comprehensive vision plan with a network of both independent providers and retail chains. Employees are eligible for this benefit on the first day of the calendar month following the date of employment; unless hired on the first day of a calendar month, in which case coverage takes effect immediately. Employees may also select coverage for a spouse or children.

Employee Health Fair

Once per year, generally in the fall, St. Francis College hosts an employee health fair. This annual event features free flu shots and may also include wellness and disease prevention forums.

Athletic Facilities

St. Francis College currently offers free access to the SFC Aquatic Center (swimming pool) and a fully equipped Fitness Center (gym). Usage is subject to the posted schedule of hours, as determined by the Athletics Department.

Gym Membership Discount

St. Francis College understands the importance of regular exercise and a healthy lifestyle and therefore offers a gym membership discount to participants in the College's medical plan. This discount program offers access to a variety of gyms in our area, from major chains to local favorites.

Clear Passages

"Clear Passages" is the College's initiative towards a tobacco-free campus. Educational resources are available about the harmful effects of tobacco-use and the College has coordinated a customized online cessation program for those who would like to quit. Non-smokers as well as those who participate in the cessation program qualify for a premium discount to the College's medical plan.

Chapel and Interfaith Prayer Room

The importance of one's spiritual and moral values is prominently featured in the College's mission. To that end, employees can attend services at our chapel, or visit our interfaith prayer room, suitable for anyone seeking a quiet place for reflection. For further information, please email the College's Office of Mission, Ministry and Interfaith Dialogue at missionandministry@sfc.edu.

Income Protection

Retirement

Employer Contributed:

St. Francis College offers a Defined Contribution Retirement Plan with TIAA-CREF that offers an array of investment options across a broad range of categories. The College contributes 10% of an employee's base salary and employees are 100% vested once the College's contribution begins. The eligibility for this benefit is the first day of the month following one full year of employment, provided the employee has attained 26 years of age.

Employee Contributed:

Upon employment at St. Francis College, an employee can make a tax-deferred contribution towards a Group Supplemental Retirement Annuity plan (GSRA). The GSRA is also provided through TIAA-CREF, and is strictly employee-contributed. There is no age restriction with this plan and an employee can join on the first day of any month.

Employee Benefits Summary for Full-Time Staff

Professional Development

Reimbursement for Professional Development, Training, and Association Memberships

In support of continued learning and development, St. Francis College encourages full-time employees to avail themselves of professional development and training opportunities to increase their job related skills to enhance both their careers and contributions to the College. Employees are eligible for reimbursement for approved professional development and training through attendance at job-relevant seminars, continuing educational courses, conferences and workshops. Other reimbursable professional development expenses include membership fees to approved professional organizations and associations that support our employees' ability to successfully perform their jobs.

Tuition Benefits

St. Francis College appreciates and promotes the value of education. As such and as outlined below, the College offers various programs to assist Staff Members and their dependents who wish to further their studies.

- ❖ Staff Members are eligible to pursue a graduate degree at St. Francis to a calendar year maximum benefit of \$5,250 following one year of continuous employment. If a particular graduate program is not offered at St. Francis College, Staff are eligible for a tuition reimbursement program for graduate study at another accredited institution, subject to the same calendar year maximum.
- ❖ Staff Members interested in taking undergraduate classes at St. Francis College are eligible for full tuition remission following six months of employment. A Staff Member's dependent children are also eligible to take undergraduate classes at St. Francis College provided that the employee has worked at the College for one full year.
- ❖ The College participates in The Tuition Exchange, a reciprocal scholarship exchange program which provides an opportunity for a Staff Member's dependent children to apply for undergraduate scholarships. Eligibility for the program is a minimum of three years of continuous employment and is awarded based on the number of years of service of internal applicants, subject to available scholarship opportunities.
