St. Francis College 2017–2018

Annual Dream-Maker Report

A Message from Lawrence A. Marsiello ’72, Advancement Committee Chairman and Thomas F. Flood, Vice President for Advancement

John Lennon once shared: A dream you dream alone is only a dream. A dream you dream together is reality. Through this Terrier magazine we acknowledge each of you for dreaming with us for the students we serve. Their Big Dreams would not be possible without your selfless generosity, caring heart, and genuine concern for their well-being and that of the mission of St. Francis College.

There is so much to celebrate from new scholarships established, and others enhanced, to new academic programs, capital improvements, and an annual fund that continues to grow. All of this is made possible by your caring and sharing—with the intention of giving the Terriers of today, and for generations to come, a St. Francis College experience that prepares them for their future and provides lessons for life. This dream-maker report offers St. Francis College’s Board of Trustees, administration, faculty, and students an opportunity to highlight the generosity of our believers and to express our heartfelt gratitude to each of you for the investment you are making in moving dreams to reality.

So many of the SFC believers listed on the following pages are themselves graduates of the College and know firsthand the value of a St. Francis College education which is now 160 years old. Others are family and friends, some serve as faculty and administration, others are parents and grandparents, and corporations and foundations—all friends who witness the good SFC is doing, and more importantly, the good that this institution is putting out in the world. The commonality of it all is that each of us has a steadfast belief in the ability of St. Francis College to transform lives for the better and to enrich the life of the community in Brooklyn Heights, Greater New York, and beyond.

C.S Lewis was quoted, “You are never too old to set another goal or to dream a new dream.” Although St. Francis College is 160 years old, today and every day, we dream a little more, knowing that we have the support of you, our consummate partners in mission.

There are so much more to do and so many more dreams to realize. We do it together, we do it always, and we do it for the students of today and those who will follow.

Please continue to dream BIG with us.

-LARRY AND THOMAS

RECOGNITION YOU DESERVE FOR THE LEGACY YOU LEAVE

Clubs are everywhere. You may already be qualified to join one with significant rewards. One that celebrates the words of our patron—it is in giving that we receive. If you have made a planned gift of any type or size to St. Francis College, then you are automatically eligible for membership in our legacy society, the St. Clare Society.

We created the St. Clare Society to honor the generosity of people like you. We want to make sure you know how much we appreciate you and your gift. When you join our legacy society, we can get to know you and make sure that we use your gift in the way you intend. If you have made a planned gift to SFC, please call (718-489-5361) or email us (plannedgiving@sfc.edu) today.

Thanks for giving and believing in the legacy of St. Francis College.

WHAT IS THE ST. CLARE SOCIETY?

The St. Clare Society was established to recognize those visionary alumni and friends of St. Francis College who have included the College in their financial planning through a bequest or trust, named the College as owner or beneficiary of a life insurance policy or retirement plan, or participated in a planned giving vehicle such as a Charitable Remainder Trust. All St. Clare Society members share something in common—a commitment to the St. Francis College mission to provide all students with a values-based, quality education at an affordable cost.

The Society is named for St. Clare, who founded a community of Franciscan women to collaborate with St. Francis and his followers through their own ministry of prayer, support, and service. Benefits of membership in the St. Clare Society include:
- being remembered in a special way at the College’s weekly celebrations of the Eucharist and at our Annual Alumni Mass;
- having your name listed in the Annual Report;
- receiving invitations to all local St. Francis College special events and to any special College events planned for your region; and
- having the satisfaction of knowing that as St. Francis proclaimed his most famous prayer that “It is in giving that we receive.”

You can establish your legacy today and grow it over time, so that your scholarship fund can impact SFC students for generations to come.

Now, more than ever, scholarship resources are critical to sustaining our mission of offering a top-tier, values-based education that is not only transformative, but also affordable and accessible. A growing Endowed Scholarship Program helps us attract quality students as well as offering them the opportunity to belong to the St. Francis College family. With nearly 98% of our students receiving financial assistance, this support can also make the difference for a student returning to College next semester. These funds bridge the gap between Big Dreams and reality.

You can support endowed scholarships in a variety of ways:

**Establish your own Endowed Scholarship**
with an outright gift or multi-year pledge commitment payable by check, credit card, appreciated securities or IRA rollovers and required minimum distributions.

**Consider Planned Gifts**
such as bequests, charitable trusts, gifts of insurance, and retirement assets to endow a new scholarship.

**Support an Existing Endowed Scholarship**—please contact the Advancement Office (advancement@sfc.edu or 718.489.5361) for a complete list of scholarships, or visit our website at sfc.edu/endowedscholarship.

E-mail us at advancement@sfc.edu or call 718.489.5361
The Endowed Scholarship Portrait Walls are located in the lobby of Founders Hall. Each portrait portrays the honoree(s) of a fully funded endowed scholarship at St. Francis College.
