Frequently Asked Questions: Direct Stafford Loan

Students who are borrowing for the first time through the Federal Direct Stafford Loan (Subsidized and/or Unsubsidized) Program must complete a Direct Loan Master Promissory Note (MPN) and Entrance Loan Counseling in order to receive their Direct Loan funds. The MPN authorizes St. Francis College to credit the Direct Loan funds to the student's SFC account. Once you complete the MPN and Entrance Loan Counseling, you will not have to complete either for the duration of your education at St. Francis College.

What is a Master Promissory Note (MPN)?

The MPN is a promissory note that can be used to make one or more Direct Stafford loans for one or more academic years (up to 10 years).

How do I complete my MPN?

The electronic MPN is available on the U.S. Department of Education's Direct Loan Servicer website www.studentloans.gov and allows you to complete and sign an MPN on the web. The MPN authorizes St. Francis College to send the Direct Loan funds to your SFC student account.

What is Entrance Loan Counseling?

If you are a first-year student or a first-time Direct Stafford Loan borrower, you must also complete the required Direct Loan Entrance Counseling at www.studentloans.gov. This interactive counseling session will help you understand your loan responsibilities.

What is Exit Loan Counseling?

All recipients of a Federal Direct Loan who withdraw, drop below six (6) credits, or graduate must complete an Exit Counseling session on the web at www.nslds.ed.gov. During this counseling, you will be able to view your loan history and learn about deferral and repayment options.

What is the difference between a subsidized and unsubsidized Direct Stafford Loan?

A subsidized loan is a loan in which federal government pays the interest during the enrollment period. The interest begins to accumulate once you withdraw, drop below six (6) credits, or graduate. An unsubsidized loan is a loan which accumulates interest immediately.

What is the interest rate for a subsidized and unsubsidized Direct Stafford Loan?

Interest rates are determined by the federal government every July 1. You can logon to www.studentaid.ed.gov for the latest interest and repayment information.
